Welcome to the second annual Maple Classic Equine Sale, held right here, in the heart of Central Alberta! We are ecstatic to be hosting this event at the brand new facility, The Pointe in Sherwood Park, a venue praised for its state of the art facilities.

Our team is thrilled to be undertaking this sale for a second year, which boasts a handful of carefully selected and presented horses for your consideration.

Maple Classic Equine Sale was born out of a passion and a commitment to serving the equine community across North America, with the founders having a lifelong involvement within multiple aspects of the industry, including breeding, consignment, training and showing.

It has never been harder to buy or sell a horse in today's market of digital advertising and online auctions, so an idea was presented to provide people with a safe, reliable platform to do so.

Through our process of extensive PPE, professional imagery, thoughtful selection and presentation, you can feel assured that your sale/purchase will be made in the utmost confidence.

We have taken the time to offer YOU what we consider to be a fantastic range of horses, as well as a performance by the Strathcona Mounted Troops, and a small market to boot! There is truly something for everyone.

Sit back, enjoy the sale, and don't forget to grab a bidding number!

Serena

Excalibur Fox X Schwarznegger x
Longchamp

2026 Buckskin Canadian Warmblood Filly

Registry: CWHBA

Height: EMH 16.1HH

Offered for your consideration is "Serena", an exceptional 2026 Canadian Warmblood filly bred with performance, poise, and presence in mind. This young filly possesses a bold, expressive movement marked by an uphill canter and ground-covering stride, all hallmarks of a future star in dressage, jumpers or eventing. Well-handled and confident, Serena displays the temperament and train-ability so sought after in young prospects. She is easy to work with but does portray a little more blood than her older siblings.

Whether your ambition lies in dressage, three-day eventing, or even the jumper ring, Serena presents as a truly versatile and talented young filly. A rare opportunity to acquire a filly of this caliber, combining modern sport horse qualities with proven bloodlines. She is fully up to date on all foal care and is developing beautifully with a strong topline, elegant frame, and a naturally forward way of going.

Serena has 2 full siblings who are both carbon copies in both looks and demeanour. Her siblings are still young but are proving to be intelligent and easy going as they progress toward under saddle ages. We expect no different from Serena.

Spicy Jalapeño

Jaunty Buccaneer x Portland L

2025 Bay Canadian Warmblood Colt

Registry: CWHBA

Height: EMH 16hh+

Spicy Jalapeño (Pepper) is a May 5/25 colt. He is registered as a CWHBA but sire is an ISH so has the Irish attitude.

His retained full sister, is currently over 16hh at 4 yo and still growing. Pepper is a real sweetie, reminiscent of the Irish Draught breed.

Peppers grand-sire, Jaunty Star, was born in the UK and imported to Canada, where he currently stands in Alberta. His award of the silver merit is a truly exceptional achievement, as very few Irish Draughts have been awarded this honour. He competed at C1C1* in 2010.

His dam, Pomergranate, is a registered CWHBA mare. She was sired by Portland L, who is most famous for becoming a prominent 1.45m jumper in Europe and North America. The Westphalian stallion is known for passing his exceptional temperament and rideability, making many of his offspring amateur friendly. He adds exceptional jumping power to the upper levels, making this cross one to be watched for those in eventing programs.

Pepper is halter broke and was trailered a lot as a foal when mom went to vets for pregnancy checks. He has had feet done, and is up to date on dewormer.

This colt will be a big boy, with a lot of ability under his hooves, and power in his heart. Don't miss out your opportunity to own a spectacular horse, ready to put your own stamp on.

Waverly My Moet x Wizardry x
Donner Bube

MG Rising Star

2024 Bay Canadian Warmblood Mare

Registry: CWHBA

Height: 15.3HH +

MG Rising Star affectionately known as Iris, is a beautiful, very well put together 2 year old Canadian Warmblood filly. She is bred along almost identical lines to our stunning and well accomplished high-selling performance horse graduate, MG Matchu, of the founding 2025 Maple Classic Equine Sale.

Sired by Waverly my Moet out of a Wizardry mare. Her bloodlines boast premium dressage breeding on both sides, paired with some outstanding European jumping lines, she can easily go in either direction. Her movement is incredible, with an outstanding walk, drool-worthy shoulder action in the trot and an uphill canter. There is no doubt that she will turn heads wherever she goes. As previously demonstrated by MG Matchu, this pedigree has fantastic natural form over jumps, showing boldness and scope. Iris is no outlier, and has proven herself in the jump chute.

Iris has age appropriate handling and ground work experience, including carrying a bit and understanding side reins on the lunge line.

MG Amelia

2021 Bay Canadian Warmblood Mare

Registry: CWHBA

Height: 15.2HH

A fine example of the thoroughbred-warmblood cross sought after in jumper/ eventing programs, Millie boasts the athleticism of her stud (Ready Intaglio), who is renowned for his stamina and bone structure. Paired over a Canadian Warmblood mare, (Waverly My Moet x Wizardry x Donner Bube), whose lineage has produced exceptional horses in dressage and jumping, Millie brings her family history, vibrancy and personality to the table.

Restarted under saddle in late 2025, Millie joined a full-time training program shortly after. While she has zero buck, bolt or rear, she values the competency of her rider, and would benefit from a home that will appreciate her sense of humour and athleticism.

Millie has a generous walk, a graceful trot and a compact canter. She has begun working on lateral movements such as haunches in, shoulder fore and leg yields. She has the potential to excel in a home that is willing to thoughtfully produce her in a diverse training environment.

Millie is happy to be stalled or turned out, and does well in a group pasture setting. She is currently barefoot and up to date on dentistry and farrier work.

Exceptionally valuable as a broodmare, Millie produced an outstanding colt in 2024. Her fine build creates endless breeding opportunities for any discipline. She is an excellent candidate for a breeding program, and is likely to produce nothing but stellar offspring.

Lucky Charm is a 3 year old mare standing approximately 16 hh and will likely mature to 16.2.

This mare has an amazing mind!!! She is so workable and sweet! Very sensible to work with and ride. Naturally in front of the leg yet balanced and quiet about her work.

Through the chute this mare shows she will make a LOVELY jumper! Scopey with a natural rhythm. Lucky Charm or Elsie as she is known around the barn, will have had 3 months professional training all added together at sale time. She was lightly started in the spring with work 2-3 times per week gradually building up to 4 times per week where she is currently at.

Sired by Charmeur (by Beaulieu's Conquest) and out of a well known Alberta breeder Laurie De Groot's best producing mare Passion (by Pascal) this young mare is very ready to go in any direction her new owner wishes to take her. Her fantastic mind, natural rhythm and lovely scope make her an excellent choice for the hunter or jumper ring. Her flowy movement, balance and amazing mind make her a great candidate for the dressage ring as well.

2020 Bay Canadian Sporthorse Mare**Registry: CSHA****Height: 16.1HH**

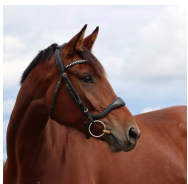

RSH Aurora, known as Lottie in the barn, is a very well put together CSHA mare, with a fantastic mind and promising future in the jumper ring, standing a well-balanced 16.2HH.

Lottie is exceptionally easy to have around with impeccable ground manners. She stands quietly for the farrier, can go barefoot or shod, and is equally happy in a stall or turned out with her friends. She is not herd-bound and is wonderfully quiet and sensible on the road and at new locations, making her a pleasure to take to shows. She loads in the trailer without hesitation.

Lottie has just finished her first show season in the jumper ring at RMSJ this year. She competed up to 0.85m and is schooling 1m at home with scope for higher. She was a dream to take out, relaxed and nothing really seemed to face her. She is not spooky and very brave to the jump. She is a forward ride and likes speed, but is safe without any funny business.

Lottie loves to jump, she would be suitable for an amateur on the flat and once she has more experience and time over jumps, she will make an amazing amateur mount in the jumper ring as well. This mare is very willing and tries hard for her rider.

She knows how to collect, has a steady walk, trot and canter. Lottie is responsive of the riders leg, with leg yields, travers, shoulder-in and has flying lead changes.

Gummybear is a schoolmaster in the show jumping ring and absolutely LOVES his job. Point him at a jump and he is ready to go! He has competed up to 1.10 m and has even cleared an impressive 1.40 m in a high-jump competition.

Gummy loves speed and is at his best in the 0.90–1.00 m classes, where his competitive nature and love of the jump-off make him an incredibly tough competitor. He has hauled to many different venues, jumping in both sand and grass rings, and has consistently brought home red ribbons.

Gummybear isn't just a show-jumping horse! He also loves cross-country and has been successfully ridden and competed by amateur riders. With years of professional training, he has all the fancy buttons and is a true all-around athlete. He will also shine in the dressage ring with leg yields, half-passes, shoulder-in, travers, flying lead changes, spectacular lengthened strides, and a very consistent head carriage.

He is only for sale because his current owner simply doesn't have enough time to ride him. Gummy likes to work and isn't content sitting in the field. He wants a job, attention, and a little person to spoil him!

Gummy has fantastic ground manners, is up to date on teeth, deworming, shots and farrier. He loads super easy and stands well for the farrier.

Take Gummy down the road and he'll happily go for a ride on his own or in a group, but he is not a trail-riding horse. He gets bored without a job, this guy wants to work!

If you're looking for a talented, experienced horse who will take care of his rider in the show ring and genuinely enjoys his job, Gummybear could be the partner you've been looking for.

Registry: IALHA

Height: 14.2hh

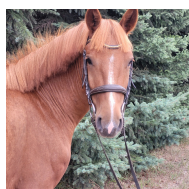

Meet Fox Fernando, a very special 2023, chestnut, Andalusian pony x gelding. Fox is a very athletic, gentle and motivated young horse. He has trust in people and wants to please; he does anything you ask him to. He loves any attention and working.

Great groundwork done, he single- and cross ties, fly mask, blanket, tack, no problem. Stands nicely for the farrier, loads beautifully and is not bothered by dogs or kids running around. He is good in a herd, absolutely no aggression.

In June this year he got started under saddle and after 60 days under saddle he shows beautiful canter work with natural flying lead changes and diagonal work. Very smooth to sit and lots of go in him. We see him thriving in Working Equitation, Dressage or Show jumping. Suitable for an advanced youth rider or a smaller adult.

He can be seen and is available for test rides in Red Deer County. Please reach out if you have any more questions.

2021 Bay Welsh x QH Gelding

Registry: n/a

Height: 14.1HH

Currently standing 14.1hh with room to grow, Flash emanates all of the qualities you search for in a finished young horse. He is first to the gate, super easy to catch, a big teddy bear if you will.

He is progressing well in the arena, demonstrating a solid W/T/C with collected and extended movements in trot and canter. He poises himself with excellent rhythm, balance and softness, offering flying lead changes and smooth lateral movements, including sidepass, leg yield, soft lateral bending and a clean stop.

He recently placed 1st in a low-level jumping show, and attended the W. Rose Welsh Show. He is currently schooling 2ft and has attended cross country schooling where he showed an excellent attitude.

Foot-sure, Flash cruised the mountains for 1 week this summer, and thrived in the adverse and challenging surroundings, further demonstrating his relaxed demeanour.

Easy to do in all ways, he's great to catch, load, trim, shoe, spray, wash and clip. He will tie all day long.

Flash could easily be an intermediate youth mount in a program, though does appreciate the competency of his rider, so would therefore not be recommended as a beginner horse at this time, however, with more exposure this could definitely become a path for him. He really does trust and follow his leader, showing his honesty and willingness to learn and please.
